Part II.

SUBSTANCE OF INTERVIEW DESCRIBING THE GENERAL NATURE OF WHAT WAS DISCUSSED:

Examiner phoned Applicant to discuss the nature of fax communication of 8/1/2008 (attached). Applicant felt that interview of 7/24 was unclear in regards to whether a supplemental amendment would be considered. Examiner stated that MPEP 714.03(a) recites that a supplemental amendment is not entered as a matter of right, and must be filed in sufficient time to be entered. The Examiner must decline the confirmation of consideration of the supplemental amendment because Examiner's workflow does not permit delaying a response on the current amendment until 8/22.

Part III.

☐ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview directly resulted in the allowance of the application. The examiner will provide a written summary of the substance of the interview in the Notice of Allowability.

☒ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview did not result in resolution of all issues. A brief summary by the examiner appears in Part II above.
